JEAN CUSHWA COLLEGE INTERNSHIP

The Jean Cushwa College Internship at the Washington County Museum of Fine Arts is offered to one qualified college student who is majoring in Fine Art, Art History, Art Education, Museum Studies, or a similar field of study. The intern will become familiar with the day-to-day operations of the WCMFA and contribute to a variety of museum projects and functions, under the supervision of the Museum staff. The work of the intern will support WCMFA art collections, exhibition planning and management, and/or art education program activities. All interns, regardless of prior experience, will receive an overview of the Museum's operations as well as specific museum training in collections, exhibitions or art education management, and museum best practices. Interns will benefit from an introduction to behind the scenes work of a professional art museum, and from the opportunity to develop professional skills. The intern must submit to a background check/drug test.

The intern will be chosen by a Selection Committee, comprised of representatives from the WCMFA's Board of Trustees, Board of Advisors, Director, and Staff. The internship is funded through the Jean Cushwa Art Internship Fund.
